

Title

Open Sesame

Problem Description

This problem requires you to download the text file `open_sesame.txt` into the same folder where you have saved your program code.

Open the file `open_sesame.txt`. Read the three strings contained in the file. Output them in the reverse order of how they were read.

`open_sesame.txt`:

sesame open abracadabra

Testing

Test Input	Expected Output
	abracadabra open sesame

Time Target

- *** less than 4 minutes
- ** 4 – 7 minutes
- * greater than 7 minutes
